ABOUT TCDLA

The Texas Criminal Defense Lawyers Association (TCDLA) is the largest state association for criminal defense lawyers in the nation. TCDLA started more than 35 years ago as a small, non-profit association and has grown into a state-of-the-art organization, providing assistance, support and continuing education to its members. TCDLA provides a statewide forum for criminal defense lawyers and is the only voice in the legislature interested in basic fairness in criminal defense cases. We are proud that among our 2700 members are found the "who's who" of the criminal defense profession in Texas.

TCDLA has a reputation for supporting industry communication. Our members and affiliates depend on us for the most up-to-date information. We provide the highest quality legal education available for new lawyers, as well as seasoned veterans.

TCDLA hosts more than 40 seminars each year which are attended regularly by members. We also welcome non-members, judges and professionals in related fields, which has increased our yearly seminar attendance approximately 3500 people seeking to continue their educational opportunities.
