Overview

The defense of a DWI jury trial is not for light weights. Here, unlike other prosecutions, the criminal defense lawyer is often faced with professional government witnesses and the aura of science. This seminar is designed to focus on and meet the challenges of cross-examination of the seasoned arresting officer and the breath and blood test expert and to destroy the government's alleged science.

Reserve My Space | Materials

Cancellations must be received, in writing, two weeks prior to the seminar to receive a full refund. Materials will be mailed after the seminar for cancellations made within two weeks of the event.
