CAPITAL TRIAL: This program is designed to cover eleven areas in a comprehensive manner, giving the practitioner knowledge to handle these cases, but also the knowledge to know when to seek additional assistance. With the ABA and Texas Death Penalty Representation Guidelines being recognized by the Texas Court of Criminal Appeals, their importance to the capital practitioner is paramount. The Guidelines present the practitioner and the court with a roadmap for effective representation in capital cases. Each presentation is designed to teach a particular portion of the requirements of representation as outlined by both the Texas and ABA Guidelines. This training is designed to apply toward the requirements set forth in 26.052 of the Texas Code of Criminal Procedure.

HABEAS: This program is designed for those handling capital habeas cases both at the state and federal level. The faculty is an all star cast of prominent nationally known capital post-conviction litigators who will address the essential building blocks and some of the stickier challenges inherent to the litigation of a capital post-conviction case. The program allows for ample time for discussion of the problems in your individual cases. Space is limited, so please send your application in early. This training applies toward the mandatory CLE requirements for the 11.071 list.

The Capital Trial and Habeas seminar is sponsored by CDLP, a project of TCDLA, funded by the Court of Criminal Appeals of Texas
