6.75 hours CLE, including 0 ethics

Overview

This year we will be focusing on the problems revealed in Texas labs and blood evidence in particular. This seminar will cover the scientific principles of legal blood testing and the potential errors involved. Experts in the field will discuss winning trial strategies and DWI trial work where blood evidence is at issue. We will also focus on the issues involved in DWI cases where drugs are the intoxicant.

Meeting/Lodging Location

The meeting will be held at the Wyndham Garden, located at 3401 South I-35, Austin, TX 78741. The TCDLA room rate is \$85 for a single/double room. Call the Wyndham at (512) 448-2444 and refer to "TCDLA" to receive the group rate. The group rate is available until January 11, 2018, or until room block is full, whichever occurs first.
