**Course Directors:** John Collins- Little Rock, AR, Tyler Flood- Houston, TX & Michael Gross- San Antonio, TX

## Overview

TCDLA proudly presents our 4th annual one-of-a-kind, NHTSA DWI Investigation Super Course in Dallas. This 4-day course will combine education on SFST, ARIDE, and DRE. Most seminars split each of these 3 curricula into separate courses. TCDLA has combined all the NHTSA DWI Investigation courses into a one-time, one-place, educational opportunity. This extremely unique course is a MUST for any attorney that handles even ONE DWI case.

- **SFST Curriculum** and proper test procedures, and how to discredit it in court.
- **Drug Recognition Evaluation**, proper test administration, Matrix and Face Sheet science, and strategies for court to combat the testing.
- **ARIDE** course and how to attack the government's case in trial. **ARIDE is the current curriculum** being used by police officers in detecting impaired driving involving alcohol and drugs.

Participants will leave with a full arsenal of knowledge about all NHTSA DWI detection tools. The course will culminate with a live dosing and impairment detection session (we will take volunteers from the attendees).

The All-Star lineup of speakers consists of Tyler Flood, Texas DWI attorney & John Collins, Arkansas DUI Attorney.

**Included: Printed NHTSA manual and electronic manuals, including the 2023 manual, will be provided to every attendee.** This is the DWI Trial Lawyers tool, and a must have to take into battle.

**FINAL EXAM:** A one-hour final exam will consist of 50 multiple choice questions on Saturday. **All passing grades will be rewarded with a beautiful TCDLA completion certificate!**

**SIGN UP TODAY...Due to the nature of the hands-on education, space is limited!**
