The seminar includes complimentary Bourbon Street Balcony and hospitality room (and the included balcony beads and libations) and the Thursday evening “alcohol absorption project,” along with a world-class Cajun seafood buffet reception you can only find in New Orleans.

MSE is co-sponsored by the National College for DUI Defense and the Texas Criminal Defense Lawyers Association. MSE is the original and preeminent national DUI/DWI Scientific Evidence seminar of its kind, featuring not just science but also successful and proven trial strategies in challenging police pseudo-scientific evidence. The science and trial tactics are not only taught in lecture format; the concepts from the lectures are also demonstrated and applied in a courtroom setting in a mock jury trial. Come learn about DWI science and its limitations and proven and winning DWI trial strategies from some of the country’s preeminent and highly acclaimed experts and DWI trial lawyers and enjoy the many hours of after-hours camaraderie with the experts, lawyers, and attendees.
