Presentation: Case Management Software Webinar

Presenter: Chris Fredericks

Date: Tuesday, March 31, 2026

Time: 12:30 pm – 1:30 pm

CLE: 0, 0 ethics

Overview: We are moving to a paperless court system. Is your law practice keeping up with the digital age? Do you know what case management options are out there? We will discuss case management software and how it can improve your efficiency. Did you know you can use case management software to handle payments, draft motions, and even share information through an online portal with your client? We will also cover limitations on the software and items to consider when comparing different companies.

Bio: Chris Fredericks graduated from Trinity University in San Antonio in 2002 and SMU Law School in 2005. He worked for the Collin County District Attorney's Office from 2005 through 2015. Mr. Fredericks worked in misdemeanor, specialized crime, juvenile, and felony trial divisions. Mr. Fredericks started his own criminal defense practice in July 2017 in McKinney, Texas. Over the course of his career, he has tried over 190 jury trials, 250 bench trials, and handled thousands of criminal cases. Mr. Fredericks has been board certified in criminal law since 2015. Chris lives in Dallas, Texas with his wife and two kids. In his spare time, he enjoys golf, beer and barbecue cooking. Yes he went to a private prep school for high school. And yes he is a walking stereotype of a lawyer except he does not own any sweater vests or cardigans.
