OVERVIEW

Watch it, hear it, then take it to court and use it! The DWI practice of 2023 is far more difficult than it has ever been. The Intoxilyzer 9000 and the tsunami of compulsory blood draws have made the practice very challenging for any lawyer wanting to excel in DWI Defense. This seminar will prepare lawyers for the new challenges and master the defense needed to represent your client. The Kinard Curriculum will help its attendees provide competent, professional, and ethical assistance in the entire DWI defense arena. Its lectures and demonstrations are structured on a building-block philosophy of topics: each topic is strategically intertwined with one another and serves as a basis for an advanced skill set and knowledge base. Importantly, its format is arranged for both the novice and advanced DWI practitioner to walk away with a quiver of smart arrows on Friday so that they can be used the following Monday in the defense of the citizen accused.

MEETING/LODGING LOCATION

The seminar will be held at the Menger hotel located at 204 Alamo Plaza, San Antonio, TX 78205. The TCDLA room rate is \$126 for a single/double room. Call the Menger at (210) 223-4361 and refer to "TCDLA" to receive the group rate. The group rate is available until October 26, 2023, or until room block is full, whichever occurs first.
