OVERVIEW

You asked and we listened! The 21st Annual Stuart Kinard 2025 Advanced DWI Seminar will keep traditional speaker presentations but will now include several hours of LIVE DEMONSTRATIONS! This new format will continue to help prepare lawyers for the latest challenges and help master the defense needed to represent your accused. The Kinard curriculum will help its attendees provide competent and professional assistance for the entire DWI defense arena. Its lectures and demonstrations are structured on a building-block philosophy of topics. Each topic is strategically intertwined with one another and serves as a basis for an advanced skill set and knowledge base. Presentations include voir dire, motions, case law update, demonstration cross examinations, and all in between. Do not miss this event – attend in person, livestream, or on-demand at your own pace!
