

# Battling the Resistance in Fredericksburg

## Livestream Event: February 12, 2021 : 6.0 CLE Including 1.0 Ethics

### Course Directors

- Kerri Anderson Donica– Corsicana, Tx
- Clay Steadman – Kerrville, Tx

### Overview

The Resistance is the enemy within us all. It is the opposing force blocking the path to our own personal victory. It is relentless and fueled by fear. To overcome the Resistance, you must identify it, acknowledge its power, and prepare for it. Criminal lawyers face the Resistance every day. "Battling the Resistance" will arm lawyers with the knowledge and skills necessary to challenge the Resistance in a way that bolsters commitment and dedication to clients, and sharpens the tools for zealous advocacy. The resistance is a force within us all that requires us to be ready to meet the challenge when the finish line is in sight to ultimately get to the higher realm beyond the Resistance.
