Overview

This year themed seminar will be "Journey to Justice." When we think of the Journey to Justice we tend to think of those who advanced justice in the past. Now we are on the Journey of today, standing on the shoulders of the giants that have come before us, we seek justice for each one of our clients. Our Journey to Justice is trial. Representing the accused is an honor that we must be ready for. We must be prepared at every stage of trial, knowing that it will ultimately lead to justice. This course will guide you through the journey to justice for your client and give you the tools for each phase of the trial.
