8:15 am	1.00	Jury Selection Jury Selection is about not only listening to the people but also hearing the messages they send, identifying any biases, and using well-reasoned challenges for cause and effective preemptory strikes to select your jury.	Shawn Sareen
9:15 am	0.75	Pre-Trial Investigations A warrior's preparation begins early. Effectively conducting client interviews, investigation, securing and reviewing discovery, and pre-trial litigation requires constant collaboration, planning, and the use of pretrial motions. Effective pretrial investigation and strategy development will make all the difference. This is the preparation you can rely on to pin the state in and limit their reach.	Blakely Mohr
10:00 am	0.75	Opening and Closing Opening Statements is the first opportunity to tell our client's story and reinforce our theory of the case. Closing Argument is the opportunity we get to close the loop we opened in the opening and to highlight reasonable doubt in the State's case. The argument is also our chance to summarize our client's story and demand justice.	Gabe Bombara

11:00 am	0.75	Technology in the Courtroom The price to be paid by a trial lawyer often includes learning new technologies and new uses for those we're accustomed to. Effective and fluid use of technology is essential to any warrior's strategy for success. Seamless PowerPoint presentation is a minimum requirement. New developments in the digital world compel us to integrate artificial intelligence, digital exhibits, and Zoom proficiency to deliver our best for our clients.	Nii Amaa Ollennu
