## Overview

History speaks of those individuals who have exhibited extraordinary courage and confidence in taking a stand in the face of overwhelming force for the rights and liberty we enjoy today.

This year's seminars focus on providing criminal defense attorneys the tools, skills, and resources to lay the foundation for an effective defense. Courage and confidence are the hallmarks of a great criminal defense, and "Come and Take It" will focus on these attributes as we provide you the wherewithal to stand and fight in the face of insurmountable odds.

You will receive training from some of the great speakers and leaders in our profession, enabling you to face off with a well-armed adversary and take the fight to them. Forewarned is forearmed, so let's get armed.
