## **About TCDLA**

### **Texas Criminal Defense Lawyers Association**

The Texas Criminal Defense Lawyers Association (TCDLA) is the largest state association for criminal defense attorneys in the nation. TCDLA started more than 35 years ago as a small nonprofit association and has grown into a state-of-the-art organization, providing assistance, support, and continuing education to its members. TCDLA provides a statewide forum for criminal defense lawyers and is the only voice in the legislature interested in basic fairness in criminal defense cases. We are proud that among our 3,750 members are found the “who’s who” of the criminal defense profession in Texas.

Our members and affiliates depend on us for the most up-to-date information. That’s why TCDLA has a reputation for supporting industry communication. We provide the highest quality legal education available for new lawyers, as well as seasoned veterans.

TCDLA hosts more than 40 seminars a year which are attended regularly by our members. We also welcome non-members, judges, and professionals in related fields, which has increased our yearly seminar attendance to approximately 6,000 individuals seeking to continue their educational opportunities.

## **Our Goal, Your Advantage**

Service to our members and seminar participants is our primary focus. We offer access to goods and services to give the participants every advantage to improve their professional expertise.
