12/07/2002	<p>CDLP Guidelines: Mark asked members to review the Guidelines and a discussion began in which he stated that Randy Wilson and Craig Jett spent a lot of time researching and putting together the guidelines. Mark recommended the following changes: The Chairperson of the Project would be appointed, and or removed, the President, but not by his sole discretion, subject to approval with the majority of the officers of TCDLA. The President will sort of have the power to recommend subject to officer approval, which is consistent with our Bylaws, which calls for the President to appoint committees. Also the numbers of members on the committees was discussed. Craig recommended that the Board approve the composure of members as stated in No. 4 on p. 3 of the Guidelines as is (no more than ten members to serve on the committee). Mark asked that a motion be made to accept the guideline as presently drafted. Randy Wilson seconded the motion and motion passed as drafted, standing 5 plus 10 members. Mark stated that a final copy of the Guidelines would be issued.</p> <p>An amendment to the draft was made as follows: Cynthia Orr moved that “paragraphs 1, 5, and 7 be entered to reflect that the President appoint the chair with the approval of the majority of the officers.”</p> <ul style="list-style-type: none"> • Motion was entered, seconded and approved. • Motion passed. <p>Discussion continued re composure of the Committee. 03/09/02	<p><u>Hall of Fame Committee.</u></p> <p>Betty provides a report to members. The Hall of Fame Committee has a provided a copy of their report to everyone. Their recommendations to the Hall of Fame are <i>Les Procter of Austin, Knox Jones of McAllen, Frank Maloney of Austin, Doug Tinker of Corpus Christi, Gerry Goldstein of San Antonio.</i> The executive committee agreed to recommend these nominations to the board. In order for us to properly congratulate each individual we would have to have a separate ceremony spread out over the next five years. Discussion is open to the board. We wanted to get the members input. We have done the Hall of Fame recognition in the middle of a seminar. We want to invite the family and we want to make each individual inducted to the Hall of Fame special. Betty inquires for input from members. Craig inquires, if we need to wait for five years for everyone to be inducted to the Hall of Fame. There are a few deceased members' nominations. Betty informs the board that it has to be 2/3 of a vote for members. Cynthia Henley inquires if we could induct one per board meeting. Paul Looney comments that we could do a lunch for the inductee at Rusty. Bill Harris comments that we could do a luncheon after Rusty and have a formal luncheon. Dexter Gilford agrees we should have greater exposure. Discussion continues about induction at Rusty. The board votes to have the Hall of Fame inductees this year at Rusty during a luncheon.</p> <ul style="list-style-type: none"> • <i>A motion is made to accept all of the Hall of Fame nominations. This may not be the most prestigious ceremony that we could have in his honor. Cynthia Henley comments that she disagrees with honoring everyone all at once. Betty comments that there are five inductees and we may have to honor three one year and two the next year. Discussion continues. The question is how do we do all this right. We choose all five nominees to be inducted at Rusty. The question that has been called is if we are going to do all five during the ceremony. The vote is 17 to 9 in favor of inducting all of the nominations at Rusty during a luncheon.</p> <ul style="list-style-type: none"> • <i>Stuart Kinard makes a motion that in the future we induct one person at a time to the Hall of Fame.</i> • <i>The motion passes and is adopted.</i> <p>Discussion continues on providing a speech during the luncheon. 12/15/01	<p>Betty Blackwell calls the board that it is contingent upon the board on approving the executive committee's unanimous decision. The board replies so moved, Joseph A. Martinez is the new executive director of TCDLA. The President requests for all of those in favor of the executive director say aye. An all in favor response was received from the board.</p> <ul style="list-style-type: none"> • A motion was made to adopt Joseph A. Martinez as the new executive director. • The motion was passed and adopted.
12/15/01	<p><u>Bylaw Committee.</u></p> <p>Stuart provides an update to the board. This is a work in progress with the intention of alleviating some of the problems that we have faced in the past. Stuart provides a copy of draft notes to members. Stuart announces that he will be glad to meet with any members to further discuss any input on the bylaws after the meeting.</p>

	<p>Basically, we have tried to be consistent and completely fair. The first proposed change is that the language that states, “The board of directors shall determine the qualifications of the executive director,” stays in subject to any advance guidelines of the board of directors the executive committee shall hire.</p> <p>Recently, the executive committee was given the subject to hire. The problem the executive encountered was they could not finalize the hiring. We could lose good candidates if we are in the same situation again. Stuart continues Joseph had to take a leap and hope that the board would approve his employment. The board will trust the executive committee to do the hiring. Each person on the executive committee can participate in the interview process.</p> <p>The second part of the proposed change is that there is an either/or process for termination. Each process requires a seven days notice to the executive director. Either the board now reads by a majority vote at a regular quarterly or special board meeting duly held under Article V Sec. 3 and 5(b) or the executive committee by a 2/3 vote the total number of members of executive committee minus the executive director. Stuart continues, let’s say that there are 15 members on the executive committee then 2/3 vote, 14 can terminate. The thinking is that if either a majority or more board members are dissatisfied and wish to terminate a director this is a bad situation. By the same token if the executive committee working on a daily basis, face to face, and if they are given confidential information on the executive director by the staff and comes to know by 2/3 vote the wheels are off. We have had suggestions that the vote be 2/3 vote and that there also be 2/3 vote by the executive committee be allowed to terminate on its own. Stuart informs the board that he welcomes all suggestions and that at the next meeting in March we are in an almost final draft. Betty comments that we will publish all of this information on the bylaws in the <i>Voice</i>. Stuart informs members at the end of the board meeting he wants to make an announcement on a proposal for a pack.</p> <p>Betty continues addressing the board meeting. During the executive committee we voted to renew Keith Hampton and Allen Place contracts for three years. The next order of business is to renew their contracts. Keith Hampton is currently in New York paid by New York to come up and tell them how SB7 was passed. Keith Hampton and Allen Place worked very hard on this bill. Betty informs the board that she needs the approval of the board for their contracts to be renewed.</p> <ul style="list-style-type: none"> • A motion is made to approve Keith Hampton and Allen Place contracts. • The motion was approved and adopted.
6/15/01	<p><u>Ward Casey Recognition.</u></p> <p>Ward Casey a superb attorney from Fort Worth recently passed away. Betty informs the board members that a proclamation from the board would be a great gesture for his wife. A motion was approved and adopted for a proclamation from TCDLA to be prepared for Ward Casey’s accomplishments. Board members inform Betty that the letter that she wrote to his wife and family was read at his services. Betty comments that one of the most difficult parts of being a member of TCDLA is seeing members pass on. It is difficult for everyone particularly their families.</p>
