Overview

Watch it, hear it, then take it to court and use it! The DWI practice of 2021 is far more difficult than it has ever been. The Intoxilyzer 9000 and the tsunami of compulsory blood draws have made the practice very challenging for any lawyer wanting to excel in DWI Defense. This seminar will prepare lawyers for the new challenges and master the defense needed to represent your client. The Kinard Curriculum will help its attendees provide competent, professional, and ethical assistance in the entire DWI defense arena. Its lectures and demonstrations are structured on a building-block philosophy of topics: Each topic is strategically intertwined with each other and serves as a basis for an advanced skill set and knowledge base. Importantly, its format is arranged for both the novice and advanced DWI practitioner to walk away with a quiver of smart arrows on Friday so that they can be used the following Monday in the defense of the citizen accused. Without question, the Kinard Program promises to provide invaluable scientific and common-sense insight coupled with trial skills to the participants who attend.

Location

The seminar is being held at the Menger Hotel, 204 Alamo Plaza, San Antonio, TX 78205. Cost for rooms in the block is \$126, S/D with a cutoff date of 10/12/2021 or until filled, whichever occurs first.
